

### The Missing Man Table

This table is reserved to honor our missing comrades in arms.

*The table is round* – to show our everlasting concern for our missing men.

*The tablecloth is white* – symbolizing the purity of their motives when answering the call to duty;

*The single red rose*, displayed in a vase, reminds us of the life of each of the missing and their loved ones and friends of these Americans who keep the faith, awaiting answers.

*The vase is tied* with a red ribbon, symbol of our continued determination to account for our missing.

*A slice of Lemon* on the bread plate is to remind us of the bitter fate of those captured and missing in a foreign land.

*A pinch of salt* symbolizes the tears endured by those missing and their families who seek answers.

*The Bible* represents the strength gained through faith to sustain those lost from our country, founded as one nation under God.

*The glass is inverted* – to symbolize their inability to share this evenings toast.

*The chair is empty* – they are missing. Let us now raise our glasses in a toast to honor America’s POW/MIA’s and to the success of our efforts to account for them.
